

National Seminar on “Future Trend in Mobile Technologies, Artificial Intelligence and Internet of Things”

INVITATION

Respected Sir/Madam

We are pleased to introduce the **Institute of Professional Excellence & Management (IPEM)**, Located at NH-24(near Vijay Nagar), Ghaziabad; which was **established in 1996**, by an academician par excellence- Late **Dr. B.S Goel** with over 56 years of Teaching & Research experience. The **IPEM**, besides other Courses, conducts **Computers/IT Courses at UG & PG** levels with Excellent Result & near 100% placements.

As part of the academic activities, the IPEM organizes Conferences, Workshops & National Seminar on emerging topics. We plan to conduct a **National Seminar on “Future Trend in Mobile Technologies, Artificial Intelligence and Internet of Things”** on **17th November 2018** at 09:30AM.

We feel that your presence will be of immense value to us and hence we request you to personally attend the seminar and kindly nominate some of your colleagues for participating. We request you to please ask some of your colleagues to present papers for which details are attached.

For any further details contact to Prof. Savita Singh (**8826998488**) & Prof. Supriya Sharma (9910491470) or through email at **seminar@ipemgzb.ac.in**

Looking forward for a very positive response and to Welcome you at IPEM on 17 Nov. 2018(Saturday).

With Highest Regards.

Encl: As Stated

Your Sincerely
Prof. Abhishek Singh
